Allergy Information

Please ask a member of staff if you require information on the ingredients in the food we serve.

Customer Information

We do not hold fish for our restaurant in a hot cabinet. Your fish is cooked fresh to order, so we would appreciate your patience during busy periods.

We believe that all bones have been removed but there is no guarantee.

We use vegetable oil in our fryers for both the fish and chips, so vegetarian requests can always be accommodated.

GLUTEN FREE - Please ask to see our separate menu for gluten free food.
